

Who Is Your Injury Lawyer?

I know exactly how to help you if you are injured in an accident because I have helped thousands of other Long Islanders over the last TWENTY YEARS with their accident-injury matters. For over two decades, I have handled only SERIOUS ACCIDENT-INJURY cases on Long Island, with the personal care they deserve. I pride myself in the attention to detail and the level of comfort and communication I provide to each of my clients.

Although I live in the Three Village area in Suffolk with my family, I am the managing partner of a prestigious Personal Injury law firm located in Woodbury, which recently obtained one of the LARGEST PERSONAL INJURY SETTLEMENTS IN NEW YORK STATE HISTORY. Almost any day of the week I can be found representing my clients in the Supreme Courts in Riverhead, Central Islip or Mineola. After work you may find me coaching

basketball or soccer for my children's teams, simply walking with my dog in Avalon Park, enjoying Port Jefferson Village with my family or cycling to West Meadow Beach with friends.

I am concerned about the safety of our families and children, for example you may have read my articles about Booster Seats, Kids Sitting in the Front Seat, The Dangers of Driving, Suffolk's Social Host Laws, or the Vital Importance of Un/Underinsured Motorist Coverage. My website www.northshoreinjurylawyer.com even provides a printable sample automobile insurance policy with coverage suggestions.

No, I don't have a radio jingle, or a billboard and picture on an L.I.R.R. overpass, and I'm not waiting for a call at midnight on New Year's. But, I will provide you with honest, straightforward and most of all EXPERIENCED LEGAL

REPRESENTATION. I will always return your phone calls, keep you fully informed and will ensure that your case progresses quickly through our Court system. I will be your strongest advocate and partner against the insurance companies and their lawyers to obtain the best possible outcome on your behalf. That is my pledge to you and your family.
